RULES AND REGULATIONS

NOTE: *This handbook is a compendium of information about the College policies, regulations, requirements, and resources relevant to Chu Hai students irrespective of their Faculty, Department, or programme affiliation. Specific information for each programme is available in the respective Faculty and Department Office.*

GENERAL REGULATIONS FOR UNDERGRADUATE PROGRAMMES

Admissions

- UG1.1 An applicant who wishes to be admitted to an undergraduate programme must satisfy the general minimum entrance requirements of the College set out below:
- Level 3 or above in Chinese Language;
 - Level 3 or above in English Language;
 - Level 2 or above in Mathematics;
 - Level 2 or above in Liberal Studies; and
 - Level 2 or above in one elective subject in the Hong Kong Diploma of Secondary Education Examination; OR
 - Equivalent qualifications.
- UG1.2 The applicant shall also satisfy the programme-specific entrance requirements, where applicable.
- UG1.3 An applicant who has attained the age of 23 years on or before September 1 of the year in which admission to the undergraduate programme is sought shall be deemed to have satisfied the entrance requirements.
- UG1.4 An applicant who has been exempted from the entrance requirements of the College, and programme-specific entrance requirements where applicable, by the Academic Board shall be deemed eligible for admission to the curriculum of the College.
- UG1.5 Applicants holding other qualifications shall be considered on a case-by-case basis.

Registration

- UG2.1 An applicant shall register as a student for a programme on admission to the College.
- UG2.2 A student shall register in the name that appears on his Hong Kong identity card or passport. Any application for change of name

subsequent to his registration shall be made in writing to the Registrar with justification and documentary evidence for approval.

- UG2.3 Upon registration, a student shall not register for any other curriculum of the College or for any other post-secondary qualification at any educational institution unless otherwise permitted by the College.
- UG2.4 A student in breach of UG2.3 may be required to discontinue his studies at the College.

Academic Year

- UG3.1 An academic year, comprising three semesters, that is Fall, Spring and Summer Semesters, shall begin in September each year and end in August of the following year.

Period of Study and Maximum Period of Registration

- UG4.1 The period of study of an undergraduate curriculum shall normally be 4 academic years, unless otherwise specified.
- UG4.2 The maximum period of registration of a student shall be 150% of the normative period of study, unless otherwise permitted by the Registrar.

Transfer of Curriculum

- UG5.1 A student may apply to transfer from one curriculum to another by submitting an application to the Registrar before the end of each semester.
- UG5.2 Each student shall only be granted one chance of transfer from one curriculum to another.

Advanced Standing, Exemption and Credit Transfer

- UG6.1 Advanced standing or exemption may be granted to an applicant in recognition of the studies completed successfully prior to admission to the curriculum concerned.
- Credit transfer may be granted to a student for studies completed at other institutes under exchange programmes endorsed by the Faculty Board during his course of study at the College.
- UG6.2 At least 50% of the total credits required for graduation shall be accumulated through the studies of the curriculum concerned at the College or through credit transfer from exchange programmes endorsed by the Faculty Board.
- UG6.3 Credits granted for advanced standing, exemption and credit transfer shall not be included in the calculation of Cumulative Grade Point Average (CGPA) and Graduation Grade Point Average (GGPA) but shall be recorded on the transcript of the student.

Graduation Requirements

UG7.1 To be eligible for admission to the undergraduate qualification, a student shall fulfil the following requirements within the maximum registration period:

- attain not less than 123 credits;
- fulfill the requirement of (1) 6 credits in English Language enhancement, (2) 3 credits in Chinese Language enhancement, and (3) 12 credits in General Education;
- pass all courses in a manner specified in the syllabuses; and
- attain a Graduation Grade Point Average (GGPA) of not less than 1.75.

Enrolment of Courses

UG8.1 A student shall normally take 15 credits for the Fall and Spring semesters.

UG8.2 A student shall not take more than 9 credits in any Summer semester.

UG8.3 A student may, out of his own volition, take additional credits not exceeding 3 credits in a semester.

UG8.4 A student shall take not more than 36 credits in each academic year, unless approved by the Faculty Board.

Attendance and Absence

UG9.1 A student who is unable to attend classes or required activities of a course because of illness or circumstances beyond his control for not more than one week shall inform the Faculty in which he has registered in writing at the earliest opportunity.

UG9.2 When longer absence is necessary or when absence from assessments is involved, a student shall submit an application for leave of absence in writing to the Faculty together with a medical certificate issued by a registered medical practitioner or other supporting evidence.

UG9.3 When a student's absence from class has reached one-third of the total number of periods of a course in one semester, he may be prohibited from taking the examination of that course.

UG9.4 A student who has been absent, with or without permission, for a period of such length as to make it impossible, in the opinion of the Dean, for him to complete his year's work shall not resume attendance in the same academic year unless otherwise permitted by the Dean.

UG9.5 A student who has been absent for more than twelve months may be regarded as having withdrawn from his studies.

Assessments

- UG10.1 A student shall be assessed for all the courses that he has enrolled in.
- UG10.2 A student on suspension shall not be allowed to participate in any assessment during the period of suspension unless otherwise permitted by the Registrar.
- UG10.3 A student who is unable to present himself for an examination because of illness or circumstances beyond his control may be permitted to take a supplementary examination only if his application for supplementary examination is approved by the Board of Examiners.
- UG10.4 Application for supplementary examination shall be submitted to the Registrar together with the relevant documentary evidence within 48 hours following the scheduled examination session.
- UG10.5 No other arrangement on supplementary examination shall be made if the student is unable to present himself for the supplementary examination.
- UG10.6 Students may lodge an appeal on their examination results within two weeks after the announcement of the results. There should be no appeal against academic decision.
- UG10.7 Students may apply for an upgrade of any core courses at his own volition, after consulting their academic advisor.
- UG10.8 All application for upgrade shall be submitted to the Registrar's Office before the start of the academic year following the latest attempt of the course concerned.
- UG10.9 Only one upgrade attempt is allowed for each core course. No upgrade is allowed for elective courses.
- UG10.10 Once approved, the student must repeat and complete all parts of the course.
- UG10.11 The latest grade point of the course will be used in the calculation of Graduate Grade Point Average for Honours classification.

Grading System

- UG11.1 A student's academic achievement over a specified period of time shall be defined by the Cumulative Grade Point Average (CGPA) which is calculated as below:

$$CGPA = \frac{\sum_{i=1}^{i=n} (Grade\ Point * No\ of\ Credits)_{ith\ course}}{\sum_{i=1}^{i=n} (No\ of\ Credits)_{ith\ course}}$$

n = total number of courses with letter-grade, including failed courses.

- UG11.2 The grades and their corresponding standards and grade points shall be defined as below:

Grade	Standard	Grade Point
A	Excellent	4.0
A-	Outstanding	3.7
B+	Very good	3.3
B	Good	3.0
B-		2.7
C+	Satisfactory	2.3
C		2.0
C-		1.7
D+	Pass	1.3
D		1.0
F	Fail	0

- UG11.3 A, B, C and D are passing grades while F is a failing grade. A student receiving an F grade shall not earn any credit for the course.
- UG11.4 Courses graded “Distinction”, “Pass” or “Fail” with the special permission given by the Academic Board shall not to be included in the calculation of the CGPA.

Honours Classifications

- UG12.1 A student who has fulfilled the requirements in an honours degree programme shall be awarded a Bachelor’s Degree with one of the following classifications:

Honours Degree Classification	Minimum Graduation GPA
First Class	3.50
Second Class (Division I)	3.00
Second Class (Division II)	2.50
Third Class	2.00
Pass-without-honours	1.75

- UG12.2 The classification of honours shall be determined by the Board of Examiners for the degree according to the Graduation Grade Point Average (GGPA) which is calculated as:

$$GGPA = \frac{\sum_{i=1}^n (Grade\ Point * No\ of\ Credits)_{ith\ course}}{\sum_{i=1}^n (No\ of\ Credits)_{ith\ course}}$$

n= number of courses; including core courses, general education courses, language enhancement courses and courses stipulated by the Board of Examiners, with letter-grade, taken during the study, excluding failed courses.

For students taking more than 123 credits, only the best 123 credits, unless specified otherwise by the Board of Examiners, shall be used in the calculation.

- UG12.3 The Board of Examiners may, at its sole discretion and with justification, award a higher class of honours to a student whose GGPA falls below the minimum GGPA required for that higher classification by not more than 0.1 Grade Point.

Unsatisfactory Performance, Academic Probation and Discontinuation of Studies

- UG13.1 A student whose performance is unsatisfactory, may be required to:

- discontinue his studies; or
- repeat whole or part of his programme before being admitted to further assessments; or
- present himself for assessment without repeating any part of his programme.

- UG13.2 Unless otherwise permitted by the Faculty Board, a student shall be recommended for discontinuation of his studies if he has failed to:

- complete successfully at least 18 credits in two consecutive semesters, excluding the summer semester;
- achieve an average Semester GPA of at least 1.00 for two consecutive semesters, excluding the summer semester;
- resume study after a leave of absence or the period of suspension has ended; or
- fulfil successfully all the requirements for graduation within the maximum registration period permitted for the curriculum.

- UG13.3 The Faculty Board may require a student to be put on academic probation if his Grade Point Average for the preceding semester is lower than 1.75. A student on academic probation may be required to take a reduced load and be subject to review on his performance at the end of the semester.

- UG13.4 The Board of Examiners may recommend to the Academic Board that a student be required to discontinue his studies in a curriculum administered by the Board.

- UG13.5 In all cases where a student is recommended for discontinuation of studies, there shall be a review of the circumstances of the case by the Committee on Discontinuation.

- UG13.6 The student shall be informed of the decision of the Committee on Discontinuation as soon as possible once the decision is made.
- UG13.7 Appeal against the decision of the Committee on Discontinuation shall be made to the Registrar in writing within five working days subsequent to the communication of the decision to the student.

Leave of Absence and Withdrawal

- UG14.1 A student who wishes to apply for leave of absence shall submit to the Registrar an application on a prescribed form together with the relevant documentary evidence to support the application. The total period of leave of absence shall normally not exceed one academic year.
- UG14.2 A student who wishes to withdraw from his studies prior to graduation shall apply for official withdrawal. The application shall be made to the Registrar on a prescribed form.

Resumption of Studies

- UG15.1 At the end of the approved period of leave of absence, a student who has been granted approval for leave of absence shall submit an application to the Registrar for the resumption of studies on a prescribed form.
- UG15.2 No student who has been required to discontinue his studies shall be considered for re-admission to the same programme.
- UG15.3 At the end of the period of suspension, a student shall submit an application to the Registrar for the resumption of studies on a prescribed form.

Disciplinary Action

- UG16.1 A student who violates any rules or regulations and/or commits any misconduct shall be disciplined by the Student Disciplinary Committee vested with the authority to handle matters related to the discipline of the students.
- UG16.2 The penalty of suspension and expulsion from the College shall be approved and executed by the President based on the recommendations made by the Student Disciplinary Committee.
- UG16.3 Any penalty imposed as a result of disciplinary action may be entered into the transcript of the student's academic record.
- UG16.4 A student may appeal against the verdict and/or penalty through the Registrar's Office. The appeal shall be made within ten working days from the date of the notification of the disciplinary action.
- UG16.5 A student who is on suspension shall not be permitted to attend class and to take examination during the period of suspension.

Degree Certificates and Transcripts of Academic Record

- UG17.1 A student or former student may be issued a transcript of his academic record upon application to the Registrar's Office.
- UG17.2 Subsequent to being conferred a degree at the Graduation Ceremony, a student shall be issued a degree certificate.

Visiting students

- UG18.1 An applicant may apply to be admitted as a visiting student for a programme for a period of normally not more than one academic year to attend courses of study or undertake research studies at the College.
- UG18.2 A visiting student shall have the adequate language proficiency and educational standards in the discipline concerned.
- UG18.3 Admission decisions of visiting students shall be made by the Faculty Board concerned.
- UG18.4 A visiting student may, subject to the approval of the Faculty Board, participate in the coursework and assessments of the course in question and apply for a written record of the classes attended and assessment results, if any. The application for permission to participate in coursework and assessments shall be made at the time of admission.
- UG18.5 Application to be admitted as a visiting student of the College shall be made at the Registrar's Office.

PERSONAL DATA

Personal Data Handling Principles

- 4.1 An applicant's personal data provided in the application form will be used for setting up his record at the College. For accuracy purpose, such data will be updated if necessary. Including photograph images taken for Student ID Card and Resident Card, such data will be used in activities during the student's study at the College and as well as those in support of alumni activities after graduation.
- 4.2 In addition to data collected at the time of application, registration details as well as examination results of a student are also kept in records for purposes of monitoring his progress of study and for certification reference when such need arises.
- 4.3 Access to student data is restricted to authorised offices/departments within the College only, as well as members of staff who are entitled to use relevant data for the purpose of discharging their duties within the College.
- 4.4 Student data, including personal identifiers such as name, Identity Card/Passport numbers, will not be kept when they are no longer needed for the purposes for which they are collected and used, and will be deleted when such needs cease to exist.
- 4.5 In accordance with the Personal Data (Privacy) Ordinance (Cap. 486), an applicant/student has the right to access and correct his personal data and to request for a copy of such data. Accessing his personal data kept in the College records may be achieved by submitting a written request to the Registrar's Office, subject to payment of a handling fee.

Student ID Card and Resident Card

- 4.6 Upon successful enrolment, a registered student will be issued a Student ID Card, which serves as his personal identification document as a student of the College and should be carried along by him at all times in the campus.
- 4.7 A student who is offered a hostel place upon application will be issued a Resident Card, which serves as his personal identification document as a boarder at the College and should be produced upon demand for access to the hostel providing his accommodation.
- 4.8 Both the Student ID Card and the Resident Card are properties of the College. They are not transferrable, nor should they be used by parties other than the student himself. Forgery or inappropriate use of the cards will lead to disciplinary actions.
- 4.9 Loss or damage of a Student ID Card or Resident Card should be reported to the College, along with an application for replacement of the lost card, with a fee chargeable for the replacement.
- 4.10 Possessing more than one Student ID Card or one Resident Card at the same time is forbidden and subject to disciplinary actions. If a student finds his original Student ID Card or Resident Card after being issued a replacement card upon report of card loss, he should return the original card to the Registrar's Office for invalidation as soon as possible.
